Dear Harry:

I recently had occasion to read the enclosed booklet published in June 1975 by the Federal Executive Institute. I was greatly impressed by the article entitled "Where Have All the Leaders Gone?" by Warren G. Bennis of the University of Cincinnati. The thought crossed my mind that you also might enjoy the opportunity of reading it.

Best wishes,

MEMORANDUM FOR: Director of Training

FROM : John F. Blake
Deputy Director for Administration

Harry:

1. I believe you have heard me make reference to an article entitled "Where Have All the Leaders Gone?" contained in the attached June 1975 issuance of the Federal Executive Institute. It strikes me that copies of this piece may well be used in the reading material put together for some of your courses.

2. I make only a suggestion. I would be interested in knowing, however, if you think there is sufficient merit to the idea that it is worth including in a reading packet. There may well be more and better material available.

/s/ John F. Blake
